

## Women Healing Women Support Group

---

**We all long for understanding, compassion, and respect. Sometimes, it's easiest to find this among others who share our same situation or outlook. That's where support group comes in!**

Come join other women as we discuss topics such as boundaries, what it means to be a woman, our life mission, abuse and relationships, and intimacy and trust.

**Free and Confidential!**

For more information on meeting dates, times, and places, please contact the Price County TimeOut office at 339-4521.

Open to the public but tailored to survivors of domestic abuse and/or sexual abuse.
